Benefiting Miriam's House

We invite you to join us for our **4th Annual Polo in the Palisades** on Sunday, September 20, 2009 at Will Rogers Historic State Park in Pacific Palisades. This year we have the great privilege of honoring four remarkable individuals:

* **Dr. Ronald Hunsicker**, the president and CEO of the National Association of Addiction Treatment Providers, will accept the Promises Foundation Award for Distinguished Service in the Field of Recovery.

* **Chris and Amanda Shumow**, founders of Visions Adolescent Treatment Centers, will accept the Promises Foundation Award for Distinguished Community Service.

* **Dr. Sheila Balkan**, criminologist and court consultant, will accept the Bob Timmins Award for Outstanding Service in the Field of Social Service.

We look forward to another extraordinary event bringing together friends and industry leaders to support The Promises Foundation's on-going commitment to changing the lives of low-income families in need.
